

CAUTION!

Danger

To reduce the risk of electric shock, always unplug before cleaning.

Warnings

To reduce the risk of burns, fire, electric shock or injury:

- Unplug from outlet when not in use, cleaning or replacing the light bulb.
- Use it only for its intended use as described in this manual.
- Do not use if Salt Dome has a damaged cord or plug.
- Keep away from water.
- Keep the cord away from heated surface.
- Keep the air openings free of lint, hair, and debris.
- Do not use outdoors.
- Salt is breakable. Handle Salt Dome with care.
- Keep out of reach of children.
- Keep away from direct sunlight.
- Do not put the Salt Dome near any home appliance. Sweating of salt crystals may cause appliance damage.

WARRANTY:

Pure Himalayan Salt Works offers a 30-day limited warranty based on defects. The warranty covers the Salt Dome and electrical cord. The warranty does not cover the light bulbs. The warranty does not cover any damage caused to the Salt Dome due to dropping, misuse or not following the guidelines printed in this manual. If the Salt Dome is defective please do not return the Salt Dome to the retailer that you purchased it from. Please contact Pure Himalayan Salt Works at 800-520-6000.

IMPORTANT INSTRUCTIONS — RETAIN FOR FUTURE USE

Congratulations on your purchase of the **Pure Himalayan Salt Works Authentic Salt Dome**. Please read the instructions and safety tips before use. Your Salt Dome comes with a 30-day limited warranty. If for any reason you need service, please call 800-520-6000.

Electrical Ratings

110V AC, 40 Watts MAX, 60 Hz.
Two light bulbs included are 25W.

Product Features:

1. This product makes for a unique and beautiful gift.
2. Due to the nature of natural salt, dome may vary in color. Variation: 10% to 20%.
3. Premium quality – there is no salt in the world that compares to Himalayan salt in purity and beauty.
4. Power cord with on/off switch.

Healthy Benefits/Uses:

Pure Himalayan Salt Works Authentic Salt Dome is hand-carved and contains more than 80 minerals to create a rainbow of color. The Salt Dome acts as a natural air purifier by emitting a stream of negative ions into the air leaving air fresher and cleaner. Excellent for those suffering from allergies, sinus congestion and stress. The Salt Dome can also be used as part of a mani and pedi experience. Due to the heat of the two 25w light bulbs, the dome heats up to create a soothing and warming sensation. Simply disinfect with any quat spray after each service (do not use water).

Where to use it:

- Office
- Bedroom
- Children's room
- Spas
- Meditation and Therapy Rooms

Operation:

Pure Himalayan Salt Works Authentic Salt Dome with Pure Salt Chunks has a polarized plug. You must plug the Salt Dome into an approved electrical outlet. Please consult your electrician if the plug does not fit.

How to clean the Salt Dome:

Make sure the Salt Dome is turned off. Wipe the Salt Dome with a slightly damp towel to remove dust. The Salt Dome will dry itself when turned back on.

Humid and damp environments:

Himalayan salt crystals absorb moisture from the air. For best results, do not store or use in excessively moist rooms (e.g. bathrooms with showers) or outdoors. If you do not use the Salt Dome for more than a week, place Salt Dome in a sealed plastic bag to protect against humidity.

How to change the bulb:

1. Unplug the Salt Dome.

2. Remove salt dome from base by lifting. Set aside.

3. Twist the bulb counterclockwise and pull the bulb in the direction of arrow. Do not insert any instrument in the holder.

4. Take the new bulb and insert in the holder.

5. Gently twist bulb clockwise as indicated with arrow.

6. Position salt dome back on base.

FAQ's

Q: What are "negative ions"?

A: Ions are charged particles that are formed by the nature when enough energy acts upon a molecule. Negative ions are oxygen atoms with an extra electron. To learn more about negative ions and their benefits, please refer to www.webmd.com/balance/features/negative-ions-create-positive-vibes.

Q: What are the effects of negative ions?

A: Negative ions help to cause harmful particulates in the air to dissipate by making them too heavy to stay in the air.

Q: How long will the Salt Dome last?

A: With proper care your Salt Dome will last many years. The only thing that may need to be replaced is the electrical cord.

Q: Is the salt from the Salt Dome edible?

A: While the salt mined from the Himalayan mines is the same pink salt used in the kitchen, the salt in the Salt Dome has not been prepared or sanitized for human consumption.
